That proves that they are not satisfied with any alternative arrangement which the Government claim to have made. So, will the Government go into the question and see that these people are not unnecessarily sent out to long distances? "

THE HON. SRI M. A. MANICKAVELU NAICKER :—" I accept the very reasonable suggestion of the Hon. Leader of the Opposition."

SRI C. RAJAM RAMASWAMI :—" In view of the fact that the land in question is a Government land, will the Government consider the desirability of the land being used as a common grazing field and threshing ground for the villagers round about? "

THE HON. SRI M. A. MANICKAVELU NAICKER :—" I think the hon. Member is returned from that constituency and therefore he seems to know more about it. I will look into it."

Revision of the salaries of school teachers.

* 96 *Q.*—SRI G. SIVASANKARA REDDI (on behalf of Sri S. Narayanappa): Will the Hon. the Minister for Education be pleased to state—

(*a*) whether any representation has been received recently from elementary school teachers and aided school teachers regarding revision of their salaries; and

(*b*) if so, what action has been taken thereon?

THE HON. DR. M. V. KRISHNA RAO :—'' This question has already been answered in reply to a similar question put by an hon. Member in July 10, 1952 (starred question No. 67), I shall, however, read out the reply to the question given on the last occasion—

'The answer is in the affirmative. The Government do not at present find it possible to revise the scales of pay of teachers in view of the heavy commitments involved and the present financial stringency.''

SRI K. VINAYAKAM :—'' Sir, is the Hon. Minister aware of the following facts: that the Madras Corporation Council has accepted to give a better scale of pay for the elementary school teachers who are working in that organization and the Government of Madras have been niggardly in refusing the request from the Corporation Council, and later as a *via media* they have accepted 50 per cent of the increase in the scales suggested by the Corporation Council . . .''

MR. SPEAKER :—'' Is the hon. Member putting a question about elementary school teachers or about the Corporation? ''

SRI K. VINAYAKAM :—'' This is about the elementary school teachers and not about the Corporation, Sir. Then, finally, Sir, the Government have not given permission to the Corporation Council to give effect to the increased scales of pay from the date on which the Council passed the resolution but from the date on which the Government Order was passed in their department.''

MR. SPEAKER :—'' The hon. Member may put a separate question.''
